

## Soil Health Field Day

Our Annual Soil Health Field Day is August 12<sup>th</sup> at our main location near Yoder, Kansas. We will tour demonstration trials in the morning and have speakers present their knowledge and expertise inside in the afternoon. We will have Jay Fuhrer, retired NRCS soil health scientist, provide his knowledge and years of experience in cover crops. Speakers from Kansas Soil Health Alliance and Cheney Lake Watershed Soil Health Advisers will be presenting. It will be an informative day full of insights for managing cover crops to improve your farms' soil health!

## Soil Health Field Day

Location: Kauffman Seeds  
9218 S Halstead St.  
Hutchinson, KS 67501  
Date: August 12<sup>th</sup>
